Public Comments

Janene Bowen, representing Jordan School District, requested the SCSB to consider postponing APA-Accelerated School opening because of APA-Accelerated School not meeting the requirement of securing a physical site by January 1<sup>st</sup>. Ms. Bowen stated she was unaware of them looking for a location in South Jordan. Their application had indicated they were looking for a location in Midvale or North Sandy, which at the time was in Jordan School District.

Howard Headlee, chairman of APA-Accelerated School, informed the SCSB the difficulty they have had locating a site for the school in Midvale or Sandy, and their desire to locate in South Jordan.

Joel Wright requested the SCSB to encourage school districts to inform and share information with charter schools so there can be a balanced view, not unlike the way charter schools communicate with their local districts. Mr. Wright also expressed his concern regarding the "enrollment cap" placed on Charter Schools.

Shannon Kelley expressed her feelings regarding the necessity of approving the charter school application for Utah Connections Academy.
